SUNNY DALE.

There have leave the many of people were
booked out by paeumonia and other lang
and mackintoshes, an army of people were
bowled out by paeumonia and other lang
and chest diseases last winter. They
caught cold, neglected it, let it fix upon
them, were torn by coughs, choked by
inflammations and congestions, wasted by
fever, tired out by pain and then gare up
the fight. The hour you realize that you
have a cold on the cheat, place a Benson's
fixed with them. They act quickly and
prevent the angogment of blood in the
organs. In this way—with ordinary esution as to exposure—you will break up the
cold and avoid a serious sickness. No
other applications, or any other form of
treatment, will accomplish this as certainly
and speadily. Benson's Plasters have a distinct and positive action and are curative to
the highest degree. Use them with the same
confidence for coughs, muscular rheumatism, the grip (back and chest) and all simular aliments. Women, who are chief sufferers from cold weather complaints, should
keep these plasters always within reach. "Till try to," we answer. We do take a little keep these plasters always within reach. Get the genuine.
